Lucknow, Uttar Pradesh - India

EDUCATION

• Bachelor of Information Technology

Dr. APJ Abdul Kalam University, Lucknow

Nov 2022 - July 2026

Lucknow, India

- Hons. in Cyber Security
- Percentage: 87.02%

SKILLS

- **Programming Languages:** Java, JavaScript, Python
- **Web Technologies:** HTML5, CSS, TailwindCSS, React.js
- **Backend & Database:** Node.js, Express.js, MongoDB, SQL
- **Tools & Platforms:** Git, GitHub, VS Code
- **Development Methodologies:** Agile (Scrum)

EXPERIENCE

• Digipodium (MERN Stack)

Full Stack Developer Internship

Feb 2025 - Oct 2025

Lucknow, India

- Built a full-stack VS Code extension management platform supporting **50+ extensions across 10+ categories**, enabling fast search, filtering, and validated install links.
- Designed and implemented an **admin dashboard with email-based approval workflows**, reducing manual review effort and improving submission accuracy.
- Worked with **Next.js (App Router), Express.js, and MongoDB** to develop scalable frontend and backend components.

PROJECTS

• QuillStack-AI (AI-powered documentation Platform (Fullstack): [G](#))

Oct 2025

Tools: [Next.js (App Router), Tailwind CSS, Express.js, MongoDB, Gemini API, Multer]

- Designed an AI-powered documentation platform that processes 300+ source files per project, converting source code into structured technical documentation with automated PDF generation using the Gemini API.

• Google Playstore Analysis (Market Analysis Project): [G](#)

Jan 2024

Tools: [Python, Pandas, Jupyter Notebook]

- Conducted exploratory data analysis on 10,841 Google Play Store applications across 30+ categories; evaluated ratings, reviews, installs, pricing, and content ratings to identify category-wise performance and install trends
- Cleaned and transformed raw data to produce actionable insights for market analysis.

ACHIEVEMENTS

- **Ranked consistently among the top 2 students in the B.Tech program.**
- **Secured 2nd position in the Think Tank competition during the College Technical Fest (2022,2023).**
- **Achieved 1st position in the Internal Smart India Hackathon (2024, 2025).**

CERTIFICATIONS

- **MERN Stack Web Development- Digipodium** 2025
- **Google My Business Certification - Google** 2025
- **Innovation & Design Thinking - ERA Foundation (Cert ID: KP-IDT-0075)** 2025
- **Cybersecurity Awareness: Cybersecurity Terminology - LinkedIn Learning** 2024
- **November Coding Contest - GeeksforGeeks (GFG)** 2023
